M-1 and M-2 Ordering Information and Pricing

Call to place your order!

The M-1 and M-2 mic preamps are available with one to four channels of the MPC-1 mic preamp card installed in the standard 19" wide mainframe. The M-1 Personal Mic Preamp has a capacity of one channel in an 8" wide mainframe. Note that almost everyone orders their preamps *with* the VU-1 meters and Jensen JT-11-BMQ output transformers included. Therefore, page 1 is the place to look for pricing. If you want a different configuration, please use the detailed price list below to specify quantity of basic channels ["MPC-1 Mic Preamp Card, Less Options"], and quantity of each option desired, entering prices as you go. Add the prices of the mainframe, basic channels and options to determine the **Sub-Total**. Illinois orders add 10% sales tax. Enter the amount on the [Sales Tax] line.

Shipping Information: Shipping and insurance charges are additional. They are based on the method of shipment, weight and value. Contact the John Hardy Company for the exact amount. Shipping can be via United Parcel Service, Federal Express, Postal Service or the method of your choice. Enter the [Shipping & Insurance] charges, then add the numbers in the right hand column to determine the Grand Total. Call or email to place the order.

Terms: USA orders: Credit card, PayPal or Prepaid. Net-30 is available to customers with approved credit.

Non USA orders: Credit card, PayPal, Prepaid or Wire Transfer. Prepaid and wire transfer orders must be in US dollars drawn on a US bank. All bank fees related to wire transfers or bank checks, as well as any import duties or

other such fees are the responsibility of the customer.

Satisfaction Guarantee: All orders can be returned for full credit or refund, less shipping & insurance charges, within 15 days of delivery. Please contact the John Hardy Company if you have any questions.

Warranty: All products are warranted against defects in materials and workmanship for a period of one year from date of shipment. The John Hardy Company will repair or replace product under this warranty if factory inspection reveals evidence of such defects. Products must be returned to the factory in the original packing materials for inspection, shipped prepaid. No other warranty is expressed and/or implied.
